WORK EXPERIENCE

Valtrust Capital

Research Analyst

Delhi, India

May 2022 – July 2022

- Performed research regarding the outlook of the emerging ETF scene in India and the US.
- Analyzed the performance variables between Mutual Funds and Exchange-Traded-Funds using performance variables and indicators like Sharpe ratio, maximum drawdown, and recovery days.
- Utilized Excel to create a list of ETFs and MFs along with benchmarks and aforementioned variables and indicators for large-cap, mid-cap, multi-cap, and flexi-cap Mutual Funds and Exchange-Traded-Funds.

LEADERSHIP

Venture

Senior Editor

Uttarakhand, India

June 2022 – Current

- Worked with a committee of over 12 students to produce a cooperative interschool magazine highlighting the commonalities and culture of three different boarding schools.
- Networked and cold mailed school alumni to conduct interviews for the interschool magazine.
- Conducted investigative journalism, in which we picked a glaring issue in schools' ecosystem, and utilized scientific methods to understand the extent of the problem, which was expressed through a special section in a founder's issue.

The Doon School Stock Exchange

Boy-In-Charge & Editor-In-Chief

Uttarakhand, India

March 2018 – Current

- Co-founded a student-run newsletter that featured contributions from boys all over the school on financial events and analyses.
- Taught an advanced investment and finance course to over 45+ students over the course of 3 years.
- Gave multiple presentations of audiences of 100+ on common business strategies and the importance of personal finance.
